MOULTON, TEXAS.

EDITOR GAZETTE:

The rider of the horse has  
been in our midst, viz for Mrs.  
Michael Konarik, who last week  
of puerperal hemorrhage.

Mrs. Wm. Thorn's lost a baby  
boy two and a half years old on the  
10th of congestion.

W. R. Greenlee, who was report-  
ed sick last week, is pronounced by  
the attending physician, Dr. Wed-  
dington, to be doing very well at  
present.

The doctor states that there is  
one case of mumps, little negro.

By the way, Dr. Weddington is  
not only a successful physician, but  
the boss hunter of his region; he  
killed the biggest buck in the woods  
a few days ago.

Miss Honto Hicks, who has been  
absent for several weeks in San  
Antonio and El Paso, returned last  
week.

Mrs. Ida Nations, a daughter of  
Dr. Hicks, is visiting her family  
and friends in Moulton.

A good many of our citizens were  
called to Hallettsville last week to  
appear before the grand jury.

Mr. G. Buescher member of the  
grand jury from this community,  
came home on Saturday and re-  
turned Sunday.

Rudolph Jaeger of the petit jury  
came home also but returned to  
Hallettsville, having been summoned  
on several special venires for  
this week.

Constable Dockery, of Moulton  
riding bail for the grand jury for  
this term of the court, came home

to visit his family Saturday and  
Sunday.

Mrs. Harley Anderson, of Hills-  
boro, gave her friends an agreeable  
surprise by dropping in on them  
Friday. She will remain several  
days with her parents, Mr. and Mrs.  
Hughes and with Mr. Anderson's  
parents. The friends of Harley  
Anderson are pleased to learn that  
he is doing well in his new business  
enterprise in Hillsboro.

Mrs. T. H. Allis recently return-  
ed from Huntsville, accompanied  
by her adopted daughters, Misses  
Maud and May Chatham, where  
Miss Maud has been at reading the  
San Houston Normal.

Mrs. Allis opened school on  
Monday the 12th, in her building  
in Moulton Institute, where she for  
many years assisted her late in-  
dented husband in conducting a  
boarding high school. Mrs. Allis  
has no superior in the training of  
children and young ladies and will  
doubtless receive, as she deserves, a  
liberal patronage. She will be as-  
sisted by Miss Maud.

The New Moulton public school  
will celebrate, in an appropriate  
manner, Arbor Day, Feb. 22. Profs.  
Crouch, of Moulton Institute, and  
Frauke and Jaeger, of Boursville,  
are expected to take part in the  
celebration. The Moulton band  
will furnish appropriate music.

The average attendance of the  
Moulton public school for January,  
was 13 instead of 8 per cent., as  
stated last week, in excess of the at-  
tendance for December. This ad-  
vancement is not so much owing to  
the increased enrollment, as to a  
disposition manifested by parents  
to send to school with more regu-  
larity.

John Vival is proceeding with  
the erection of the building for his

restaurant.  
Farrin Armin is putting up a  
residence in the southern part of  
town.

Ed Boehm has put out two rows  
of shade trees from the corner of  
his business lot to the railroad,  
along the south side of Moore av-  
enue.

Ash-Wednesday was observed at  
the Catholic church.

Father Just, the only Just man  
in Hallettsville, came up to visit  
Father Benes last week.

Dr. Lancaster shipped a lot of  
fine beaver last week, their average  
weight being about 1300 pounds.

Thompson and Woolley shipped  
eleven cars of very fine cattle the  
same day, a part of a lot of seven  
hundred which they have been  
feeding.

Dr. Lancaster, Ed Armin and  
Hugo Buescher left Friday for St.  
Louis and other points north. Dr.  
Lancaster may extend his trip to  
South Dakota and other points  
in the mining region of the Rockies.  
If Old Boreas gets on a "high lone  
some" while he is up there, the  
doctor may think it is a "Rocky"  
climate in that part of the morn-  
ing vineyard. **NOTA BENE.**

of free oyster roast at Rockport
